Hey guys re the tmz thing re the HR complaints — our understanding is that 2 were from Blake and Jenny re the “sexy” comment. Is the additional one from Jenny re the thing with Jamey and her apartment in nyc? Just want to clarify.

I think we need to position it as the claims that are already out there about the kiss and the weight comment

Is it even true? Who would 3rd person be? I do think we
should see if they have details re: claims
8/14/2024 5:16:30 PM

[REDACTED] Katie Case
I do think the internet is going to have a field day with this.
Not only is this sexist but it's also embarrassing. If I was in
Blake's shoes I'd be furious if someone made it public I
needed my husband to fight my battles for me or "help me
achieve my dreams."

We do need to get clarity on the HR violations to have a
full view of the field we're playing on. But we definitely
have ammunition if we feel we need to use it.
